CE

TFA_No. 30.5051

Digital thermo-hygrometer

Thank you for choosing this product from TFA.

1. Before you start using it

- Please make sure to read the instruction manual carefully.
- Following and respecting the instructions in your manual will prevent damage to your instrument and loss of your statutory rights arising from defects due to incorrect use. We shall not be liable for any damage occurring as a result of non-following of these instructions.
- Likewise, we take no responsibility for any incorrect readings and for any consequences which may result from them.
- Please take particular note of the safety advice!
- Please keep this instruction manual for future reference.

2. For your safety

- The device should only be used as described within these instructions.
- Unauthorized repairs, modifications or changes to the product are prohibited.

Digital thermo-hygrometer

Caution! Risk of injury:

- · Keep this device and the battery out of the reach of children.
- Batteries contain harmful acids and may be hazardous if swallowed. If a battery is swallowed, this can lead to serious internal burns and death within two hours. If you suspect a battery could have been swallowed or otherwise caught in the body, seek medical help immediately.
- Batteries must not be thrown into a fire, short-circuited, taken apart or recharged. Risk of explosion!
- Low batteries should be changed as soon as possible to prevent damage caused by leaking. Wear chemical-resistant protective gloves and safety glasses when handling leaking batteries.

Important information on product safety!

 Do not place your device near extreme temperatures, vibrations or shocks.
